Fusto in metallo a sezione tonda, cromato lucido o opaco. Schienale imbottito. Fornibile anche con imbottitura schienale extramorbida. Copribraccioli in pelle o in microfibra Comfort. Le sedie possono essere anche in versione impilabile con sottosedile in termoformato e protezione in PVC trasparente per le gambe posteriori. A richiesta sistema d'aggancio e numerazione.

Frame in round tubular metal in polished or matt chrome finish. Upholstered back. Version with extra-soft upholstery in the back available. The armrest covers are available in leather or in "Comfort" microfibre. The chairs can be supplied also stackable, with a thermomoulded underseat stacking protection and with a transparent PVC protection for the rear legs. Available on request with ganging and numbering systems.
